

Volunteer Release

I, _____ (name), wish to serve as a volunteer in the City of Vancouver's 2015 Homeless Count (the "2015 Homeless Count").

On March _____, 2015, I attended a training session for 2015 Homeless Count volunteers at which I received training to participate as a volunteer in the 2015 Homeless Count and was informed that, in participating as a volunteer in the 2015 Homeless Count, I will be exposed to risks of physical and other harm. I acknowledge that I understand that there may be risks associated with my participation in the 2015 Homeless Count and, in return for being permitted to participate therein, I accept them and agree to participate at my own risk.

In further consideration of being permitted to participate as a volunteer in the 2015 Homeless Count, I agree as follows:

1. I will immediately report to my Area Coordinator in accordance with my training or to Jennifer Hales, City of Vancouver Planner at 604-873-7004, any injury or loss I may suffer or experience during my 2015 Homeless Count related volunteer activities;
2. Without any further consideration or compensation to me of any kind, the City may take photographs of me and make other forms of recordings containing images and/or sounds of me participating in the 2015 Homeless Count and may make use of and publish all such photos and recordings in any way it may wish, for non-commercial purposes, in recording or publishing information about or publicizing the 2015 Homeless Count;
3. If anyone, including any reporter or other member of the media, who is not a City employee approaches and attempts to talk to me or photograph or in any other way record me while I am carrying out any 2015 Homeless Count related activities, I will decline to say anything to any such persons that might disclose any personal information of anyone the 2015 Homeless Count seeks to include and I will immediately discontinue my 2015 Homeless Count related activities and move away from any homeless persons I am interviewing, so as to protect their privacy, and I will refer the reporter or other member of the media to the City of Vancouver's media relations personnel at 604-871-6336 or media@vancouver.ca;
